

HSC IDPA May 27, Match Results

We had 31 shooters today; thank you all for coming out to Howell Shooting. It is great to have the outdoor season up and running.

Thank you for the help striking the berms, it is a huge help!

Thanks to John Millington, Tom Swoboda, Bob Bruining, Dave Lencioni and Ed Willmson for your help with Friday evening set up. This program does not work with only one person. I just get to take credit when nobody gets hurt!

Thank you to all of the SOs and Score Keepers; you are what make HSCIPDA possible.

Regards,
Dave McKinney
